

Plan to Reach Goals This Year

Teachers, Parents, Students – Together for Success

Ways we will support student goals in 3rd- 5th Grades:

In our classroom, I will...

- Increase vocabulary skills in all academic areas using a variety of strategies
- Teach how to answer questions in complete sentences &/or write summaries with evidence from text.
- Assign homework as needed to practice Common Core State Standards skills learned in school.
- Additional ideas from family and child: _____

At home (family) - Please check the ways you are able to support your child's learning:

- I will ask my child questions about his/her day.
- I will set aside time for my child to read daily.
- I will set aside time for my child to complete assigned homework.
- I will talk to my child daily about newly learned skills at school.
- I will ensure my child will attend school, regularly, on time, dressed appropriately.
- I will help my child maintain healthy sleep routines.
- Additional ideas from family and child: _____

_____ - Please check the ways you will support your learning:

- I will share with my family about my school day.
- I will read every day.
- I will complete assigned homework.
- I will come to school every day I am able, so I can learn as much as I can.
- I will go to bed on time to get enough sleep (usually 9-11 hours for children my age).
- Additional ideas from child: _____

Sharing ideas about Student Learning

Williwaw is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- Weekly Communicators
- Class Newsletters and/or Remind message system
- Helpful Parent-teacher conferences in October and February
- Please connect with us
online: <http://williwaw.asdk12.org/> or <https://www.facebook.com/WilliwawElementary/>

Teachers, Students and Parents:

- Will wear a clean mask daily inside the school building.

Family Events

We have fun, exciting, and new learning adventures this year! See reading, math and multicultural sharing come alive through fun activities. Watch for information on Family Nights.
