

COYOTE HOWLER

Principal Zorea's Blog

Dear Parent(s) and Guardian(s):

Recently the Alaska Department of Education & Early Development (DEED) released the 2017-2018 Report Cards to the Public for each school district and school in Alaska. This new user-friendly website aims to provide families with clear, common information about all public schools and districts in our State. These report cards to the public contain data and information about academics, school environment, teacher quality, and more.

To view a 2017-2018 school or district report card to the public, go to education.alaska.gov/reportcardtothepublic. Once there, you will be able to select which school or district report card to the public you wish to view. If you are unable to access the report cards to the public online, please contact your student's school.

We know that the report card to the public is just one of many ways you will engage with us at Kincaid Elementary School. We look forward to sharing our school's successes with you, and working together to make our school better every day. In particular, we are proud that at Kincaid Elementary, the report card to the public shows us doing well in our attendance, with a 93.75% rate.

Academic growth is the change in student values on the statewide PEAKS assessments over two consecutive years. At Kincaid in mathematics 75.85% of students showed growth over two years and in ELA 70.53 % of students showed growth over two years.

We hope you will closely follow your student's academic progress and work with his or her teacher(s) to help ensure academic success. Working together as a team, we can improve not only how well our students are performing individually, but how our school and district is performing as a whole. There is nothing more important to administrators and teachers at Kincaid Elementary than ensuring that students are ready for the next step in their academic career. We look forward to partnering with you.

If you have any questions or concerns regarding our school or district report card to the public, please don't hesitate to contact us at 245-5530 or zorea_wendy@asdk12.org.

Sincerely,

Wendy Zorea

PTA News:

The Kincaid community came together last month for another fantastic STEAM (Science, Technology, Engineering, Art, Math) Week at school. There were many wonderful art and science projects entered by students. We loved hosting over 35 STEAM professionals and students who came to present at STEAM Night. From the messy oobleck to the exciting reptiles, it was a fun event for everyone!

PTA general meeting-May 1st after school at 3:45pm in the library.

Upcoming School Events:

*HOWL starts April 1st and goes through the entire month, ending with the HOWL character parade

*Spring Dance April 26th hosted by the Student council, concessions from the 5th grade and dessert provided by from the 6th grade

*Clean Up Day April 27th (student Council)
