Dear Kincaid Families,

Our school has so much to be proud of! We want to make sure to thank Mr. Akin, Mrs. Reale, PTA, and our parents and staff who volunteered to support the 2019 Coyote Classic! What a fantastic event that brought the whole community outdoors to celebrate physical fitness in a beautiful setting! Our student participants worked hard and continue to do so as they get ready for the next cross country meet at Service High for the South Anchorage Area Cross Country Jamboree.

Thank you to all our parent volunteers and visitors for coming into our building each and every day. So far, during the month of September, we have logged over 500 hours of support from our parents and community. We appreciate you and we are glad you are here!

September is Attendance Awareness Month. At Kincaid 88.77 % of our students are on track for good attendance. If students are in school with a 90% attendance rate, they are more likely to be successful in their academic achievements. We are glad to see our students here each day so that we can help support them and meet their needs.

We are creating a competition for our students to help us design a positive school logo. We are Kind Kincaid Coyotes! We would love your child to show us their creativity in designing a logo with a coyote that could represent Kincaid Elementary School. Submissions are due by the end of the quarter, October 24th.

We are just about at mid-quarter. If you have not checked your child's grades in Parent Connect, it would be a good time to check to see how they are doing. If you do not know your Log-In, please call our office and we are happy to help. If you have any area of concerns, contact your child's teacher before grades are finalized at the end of the quarter.

Sincerely,

Wendy Zorea

Principal

H, I'm NED!

## Hey KIDS and families!

NED's Mindset Mission Assembly is visiting our school! NED and our students take a journey to find their positive mindset. The show is filled with storytelling, humor, illusions and amazing yo-yo tricks where our kids learn the hidden message in NED's name:

- N**ever give up—understand The Power of YET
- E**ncourage others—spark courage in other people
- D**o your best®—always be learning and growing

Do you want to learn to yo? A yo-yo is both a mindset tool and a tangible reminder of NED's message. While learning to yo, children will make mistakes, try again and improve.
