AFTER SCHOOL PICK-UP LINES

Dear Kincaid Families,

Our staff met after parent pick-up last night and we are attempting to problem solve the long line after school. We need our K, 1st, 2nd and 3rd grade parents to show up first. Our primary students are dismissed 5 minutes earlier than our intermediate students. Please show up between 3:15 and 3:25.

Parents who have students in 4th, 5th, 6th grades, your pick-up will **begin** at 3:35. Please show up between 3:35-3:45. If you have children in both primary and intermediate grades, please show up at the later time so that the line does not get held up. You may also choose to park and not use the pick-up line. Parking may be limited.

The parent pick-up line is accessed from our Raspberry entrance only.

Today we are experimenting with something new. Once all our special education buses have left campus, our staff will direct traffic for parent pick-up to use our bus lane. Parents must remain in the vehicle. This will allow pick up from both lots and get parents off of Raspberry Road. It is an experiment. If it works well, we will continue to use it. We will not invite any parent vehicles into this lane until all buses have pulled out.

Morning drop-off is still going very well. Parents are doing a fabulous job pulling forward and following our school staff directions. Thank you for your cooperation. It is really helpful.

Thank you also for being patient with our school staff and for problem solving with us while buses are not available.

Sincerely,

Wendy Zorea
Principal

DISABLED PARKING

We have many students that require the disabled parking spaces. Please reserve these spaces for our students.

Mission Statement: Kincaid Elementary School is a neighborhood school that provides a safe, structured, positive learning environment to meet the unique needs of our students. We believe in a strong academic program that is centered on the child and their specific developmental needs. It is our mission to provide a solid educational program while at the same time nurturing our students to become kind humans in our larger community. We will facilitate a learning environment in-school and online to support **ALL** students to become kind, respectful, responsible and safe citizens.
