

The APC meeting was held on Aug 22, 2024 . Please review the highlights below:

- Rilke's 10-year charter expires June 30, 2025. The second reading of the renewal application was completed and approved. It will be submitted to the Anchorage School District by September 1, 2024, as required.
- After receiving community feedback from two separate surveys and multiple discussions over the past 6 months, the decision to update the school name was approved by the APC. We will transition to the new name - Rilke Schule German Immersion School - over the upcoming year.
- Rilke's Library is opening soon! We will need volunteers to help manage the library.
- Although we received one-time funding from the state for this upcoming school year, the need for a permanent solution is imperative for the sustainability of our school. Please continue to advocate for a permanent increase for school funding through email or letters to your legislators. You can find out who your legislators are via the search option at the bottom of this webpage: <https://akleg.gov/>.
- The next APC meeting will be Sep 19, 2024 at 6:00 pm. We invite you to join us in person or via Zoom.
