STUDENT INFORMATION

The Credit by Choice Program is designed to give students the opportunity to choose enriching learning experiences tailored to their personal educational needs and to have them recorded on their high school transcript. This program is open to high school students currently enrolled in the Anchorage School District.

An overview of each program option is given below. Details of requirements for each program are attached. While the Curriculum Assistant Principal and Counselors can respond to questions, it is the **RESPONSIBILITY OF THE STUDENT TO WORK INDEPENDENTLY TO COMPLETE THE APPLICATION AND CARRY OUT A PROGRAM ACCORDING TO THE PRESCRIBED GUIDELINES.**

General Guidelines

1. Students proposing a Credit by Choice (CBC) Program must have prior written approval of their parents and the Principal.
2. A certificated staff person must sponsor and/or supervise the student's program. In the case of the waiver, this will be the Principal.
3. ASD is the accrediting institution and sets standards for issuing credit/waivers. ASD is not the sponsoring agency for off-campus programs and is not responsible for the student's personal or financial liability. Program expense is the responsibility of the individual.
4. CBC courses will be titled as such on the student's transcript. Programs 1 (Educational Travel) and 6 (Community Service/Field Study) may only be taken for elective credit/waiver. Specific curriculum area credit will be recorded for Programs 2 (Correspondence Course), 3 (College Course Work), 4 (Early College Admissions Program), and 5 (Credit by Examination). Credit by Examination may not be done for Physical Education credit.
5. Since CBC registration is recorded only upon program completion, CBC is not a course that can be included for calculating eligibility for full-time student status.
6. The grade received will be incorporated into the student's high school grade point average (GPA) and will be counted to determine class rank and valedictorian. When computing valedictorian status, the ratio of weighted advanced placement to regular graded classes is significant.

High School Credit for Middle School Courses
