

**Polaris Operational Group  
Resolution #9  
Division of North and South House  
Submitted by Operational Board**

**Be it resolved by Operational Group**, the collected Advisories of Polaris shall be divided into houses for homecoming as follows:

<b>North House</b>	<b>South House</b>
Allie Mindi Heidi Christian Bryan	Joe Larry Jeff Sarah Andrea Tuyen

1. **Whereas**, Siri's, Mike's, and Damon's Advisories have been dissolved due to loss of staff positions;
2. **Whereas**, the previous distribution of Advisories would now be unbalanced and uncondusive to fair and level competition;
3. **Whereas**, the North House, as it holds one less Advisory, shall be compensated in competitions of points with additional points equal to the mathematical mean score of the Advisories of North House, so as to make up the difference in the most fair way possible;

**Therefore be it resolved by Operational Group**, the Advisories of Polaris shall be divided between North and South House as stated above.

**Action Statement:** The North and South Houses will be divided as described above, and North House will be compensated in competitions with additional points equal to the mathematical mean of the scores of the Advisories of North House.
