Congratulations Class of 2020

Senior Photos, Yearbook & Recognition Pages

The Yearbook Signature Staff congratulates you on this exciting milestone in your life! We look forward to highlighting you as an individual and as a graduating class this year.

First, please note that high-resolution Senior portraits and quotes are due to the Yearbook staff by November 1st. If you have not already had your senior photo session done, please schedule that right away. Please either send a high-resolution file to our email or bring in a drive with your photo. Head and shoulder portraits with no or very limited props traditionally look the best.

Additionally, the Yearbook Staff is selling recognition space in the yearbook to honor our 2020 Seniors. This is the best way to share your more creative senior portraits and family photos. Collect pictures, words, artwork, quotes, etc. to make a page uniquely yours in the 2020 yearbook. Previous year's examples are available online.

DESIGN YOUR OWN PAGE! Parents or students can now design their own page right online! Please see our website for details. If you need any assistance, just let us know.

There are several payment options available online, including easy installment payments. Cash or check (Polaris Yearbook) payments can be made in the front office with the order form available online.
