GIRDWOOD K-8 SCHOOL

P.O. BOX 189 GIRDWOOD, AK 99587

(907)742-5300

Note from the Principal

Dear Girdwood PK-8 Families,

Happy November! We have much to be grateful for here at Girdwood School. One of the best parts about our school community is that we simply never give up on any child. Our teachers are working daily to adjust for the individual needs of our students. Teachers meet throughout the week and analyze student learning data with their colleagues, so that we can make the best decisions for what our students need. During staff development days, our teachers are continuing these conversations and collaboration around student learning. Additionally, we also regularly talk about our students' social/emotional needs as we believe in educating the whole child, and work hard to have an environment in which all kids are successful. We pride ourselves each day in knowing what our students need, and then delivering the instruction that best fits those needs. At Girdwood School, we will continue to ensure that every student is given the opportunity to reach their potential. We believe in your children and cannot wait to see them develop into positive citizens within our community!

This month, our schoolwide social/emotional theme is emotion management. We'll be prompting students to notice their own feelings by paying attention to clues in their bodies, and we'll be reminding them to use the following skills to calm down: stop-use your signal, name your feeling, and calm down: breathe, count, and positive self-talk. These skills help students calm down strong emotions when faced with learning and social challenges, which helps them succeed academically and get along well with others.

I would like to take a moment to honor our first quarter Citizenship Award honorees. The following students have been nominated by their classroom teacher(s) or a specialist for exhibiting the characteristics below: Avie Martyn (Kindergarten), Parker Romerdahl (1st Grade), Sam Munter and Juliana Ribich (2nd grade), Maddix Gelosa, Sienna Strack, and Soren Mucha (3rd grade), Ruby Gelinias (4th grade), Annie Bailey (5th grade), Nikolay Ranauneut and Svea Nedwick (6th grade), and Harper Landry (Junior High).

The student follows the school's motto: Girdwood Grizzlies are Respectful, Responsible, and Ready to do our Best!

The student takes initiative and has a commitment to the school and/or community. The student is often seen going above and beyond.

The student is often seen building up other students and strengthening other students' self-esteem with a positive attitude.

The student possesses strength of character and the courage to do what is right.

Congratulations to these students for their hard work in making our school community a better place each day!

We would also like to congratulate the following students on having perfect attendance for first quarter: Gavin Anderson, Tayla Anderson, Lorelei Ayars, Phineas Ayars, Joselin Cardenas, Amari Ellis, Jasper Fleming, Ariella Gelinas, Olivia Glassett, Layla Gross, Reed Haines, Solstice Martyn, Aiden McCombs, Paul Munter, Sam Munter, Brooks Poetter, Ianis Trocin, and Madison Woods!

Please encourage your child to bring their warm clothes and rain gear each day. As hardy Alaskans we go out for recess in just about any weather so our students can get some exercise and let out some energy. When stopping by the school, please check out our lost and found located in the mini commons for gear that your child might be missing. Also, the sun comes up later and it's very dark on our sidewalks, in our crosswalks, and around our parking lot when students are coming to school. Please encourage your child to wear reflective clothing and remind oneself to slow down when driving during times when students are walking to school. We want to ensure all of Girdwood kiddos and community members are safe!

A big shout out and thank you to everyone who made the Girdwood PTA Halloween Trunk or Treat a spooky, festive, and successful event: the Girdwood PTA Board (Andrea Anderson, Emily Marengo, Anna Russell, Melissa Randich, Nico Honegger, Julie Pierre-Leclerc, and Beth Cavner), the Alaska Wildlife Conservation Center, the Ayers Family, Challenge Alaska Ski School, Chugach Mountain Roasters, Coast Pizza, the Daniels Family, the Derks Family, Four Valleys Community School, the Girdwood Board of Supervisors, the Girdwood Clinic, the Girdwood Community Land Trust, the Girdwood Lion's Club, the Girdwood Nordic Ski Club, Glacier City BBQ, Goo by Mrs. Davidson and Mrs. Lower, the Kaiser Family, Music by Erin Wells, the Nedwick Family, the Schwarz Family, the Spooky Walk by Girdwood Student Government (with help from Lauren Rice, Selita Rios, Brigid Kuber, Anna Fleming, and Joslyn Stinson), the USFS Glacier Ranger District, the Vanderhoek Family, the Wellner Family, the Whittier Police Department, and the Woods Family! Also, a big shout out to Alyeska Resort for the generous trunk prizes! Thank you so much for coming together to create such an awesome Halloween event! Be on the lookout for more information on the upcoming Girdwood PTA Holiday Bazaar taking place on Saturday, December 10th! Hope to see many of you with booths at the Holiday Bazaar and out supporting local businesses and students through holiday shopping at our Holiday Bazaar!

Thank you again for your continued support of our school. As we approach Thanksgiving, I am thankful for such a caring community, and specifically for you giving us your children to be part of our school. If you have any questions, ideas, or concerns, please don't hesitate to contact the office. We are here to help!

Take care,

Girdie the Crow visits Girdwood 2nd and 4th Graders

Thank you, PTA, for sponsoring Girdie the Crow to come and visit 4th graders along with their 2nd grade reading buddies.

Girdie was asked to come display her intelligence as part of the 4th grade Intelligent Animals unit. The students enjoyed seeing a real, live crow up close and personal and learning from a biologist and Girdie's caretaker about just how smart crows can be.

Peter Pan

Auditions were held, parts were cast and practice has begun. Mrs. Wells had a terrific time hearing the auditions and she thanks all of the students for trying out. Girdwood PK-8's version of Peter Pan will be held Thursday night, November 17 and Friday night, November 18 at 7pm. We look forward to a spectacular show!

ATTENDANCE POLICY

Below are the basic guidelines for reporting a student's absence:

If your child will not be at school, please call the school office at 742-5300, or email Bethanie and Robyn, **before** 10:30 am, to excuse their absence. Please make sure you call the office, even if you have told their teacher.

If you know in advance of a scheduled absence, please call the office and send a note to the classroom teacher ASAP. This will help the teacher to gather schoolwork, if needed. If your child will be gone for more than a couple of days, please fill out the extended absence form. You can get one in the office. Tardy students must stop in the office, sign in, and get a late pass, before going to class.

If parents want their child to ride a different bus home or get off at a different bus stop, they must send a note for the bus driver and have it signed by the office.

Parents picking up students before the end of the school day must come to the office to sign them out. We will call them down from their classroom when the parent gets here. Please refer to the ASD Student Handbook for complete District policy.

ASD's Mobile App

Downloading our ASD app is a great way to get the information you need in the palm of your hand. Our free app is available to anyone in our community who wants to stay connected. ASD families and students have access to additional features within the app found at <https://www.asdk12.org/mobileapp>

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just 1 or 2 days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

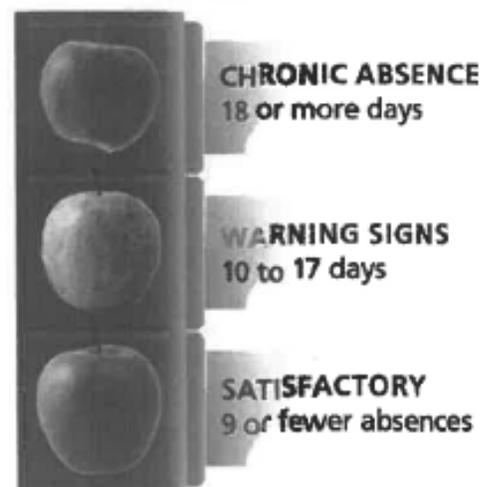

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor or another parent.
- Try to schedule non-Covid-19 related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have Covid-19, call your school for advice.
- If your child must stay home due to illness or quarantine, ask the teacher for resources and ideas to continue learning at home.

5 Ways to Help Your Kids Have a Healthy School Year

Children and teens are more likely to learn, thrive and develop appropriately when they attend school alongside their peers. Here are some ways you can help your kids stay healthy and minimize absences. The basics: sleep, exercise, nutrition, immunizations, and mental health. All of these are keys to academic and social success.

1. **Sufficient sleep** is critical to staying healthy and thriving at school. Not enough sleep can affect memory, concentration, creativity and learning.
2. **Exercise** is recommended for children age 6 years and up to get 60 minutes of moderate to vigorous physical activity on most days of the week.
3. **Nutrition** is important and many children qualify for free or reduced-priced lunches to help students get nutritious meals. The forms are on line at <https://www.asdk12.org/site/Default.aspx?PageID=1423>. Also, students can talk with the school nurse or office staff if they need snacks or help with a meal.
4. **Immunizations** are the single most effective way to protect our children. Research shows that people who are vaccinated against viruses such as COVID and influenzas (flu) are less likely to have a severe illness compared to those who are unvaccinated.
5. **Mental health** struggles such as anxiety, depression, or distress are important to recognize early. Children need to know it's OK to talk about how they're feeling. Try to prioritize family meals and exercise breaks, like walks to build a nurturing relationship with your children and a safe place to share feelings

TALK ABOUT RACISM, BULLYING & KINDNESS

Talk with your child about racism and hate. Encourage children to seek help from a trusted adult such as their teacher, school nurse, or school staff. Let children know if they are discriminated against or witness an act of bullying to get help and tell an adult. Emphasize the value of treating others with respect and how simple acts of kindness can make a difference.

Emergency Response

The Anchorage School District (ASD) is committed to ensuring the safety and security of our students, staff, and visitors. Take a moment to review this guide to ensure you are prepared in the event of an emergency situation at school. ASD follows the response protocols established by the ASD School Board. School and district staff train yearly on emergency protocols and situation management and students take part in drills throughout each school year.

Actions in an emergency

STAY PUT

"Stay Put" is ordered when there is an issue **INSIDE/OUTSIDE** the building. Police activity in the area, a wild animal nearby, or a medical incident are all common causes. Everyone returns inside the building, exterior doors are locked and "business as usual" generally continues inside the school.

LOCKDOWN

LOCKDOWN is ordered when there is an issue **OUTSIDE the building**, most often police activity in the area that could pose an imminent threat, such as a weapon or unstable individual. All interior/exterior doors will remain locked until the 'all clear' is given.

ACTIVE THREAT

Ordered when there is a threat **INSIDE the building**. Students and staff will use ALICE Protocols. Do NOT call staff/ students during an active threat. Parents are not allowed on site during Stayput/Lockdown/Active threat (ALICE).

EVACUATE

Ordered when people must exit the building due to unsafe circumstances such as fire, gas leak, or building damages. If student pick-up or off-site reunification is required, instructions will be communicated by the district.

SHELTER IN PLACE

Ordered when personal protection is necessary from dangerous weather conditions such as a gas leak, blizzard, or hail. May also be ordered in the event of a hazmat situation in the area.

Please note: some situations may require a combination of actions above.

Examples of school actions

Severe weather - Schools may **Shelter in Place** until weather passes; could delay release of students at end of day until safe to exit building.

Fire or Hazmat Situation in the Area - **Evacuation** or **Shelter in Place**, depending on location and severity of fire/ hazmat issue.

Threat of Violence or Weapon on a Person - **ALICE (Alert, Lockdown, Inform, Counter, Evacuate)**, **LOCKDOWN (exterior threat)**, or **Evacuation**, depending on the situation.

Intruder - Requires an immediate **Lockdown or ALICE**. **Police Activity in the Area** - **Lockdown** or **Stay Put** may be called for by any staff member at the school.

What do I need to know and do?

- If you're at a school and an emergency occurs, **follow protocol** with students and staff.
- We know families want information right away. Experience has taught us that initial information is almost always incorrect. Please know, our security and administrative staff are working hard to determine what the real situation is and will communicate with families as soon as information is verified as accurate and next actions have been determined.
- **Do not call the school or security staff**, as they are working on the situation and ensuring your student's safety. **Do not go to the school**; this may interfere with procedures. Only public safety personnel will be allowed in/near a school during an emergency situation.
- We understand you may want to communicate with your student during an emergency, however, **please refrain from calling**; it may prevent him/her hearing important, possibly life-saving, instructions.
- It is vital parents and guardians **keep their information updated in ASDConnect**. We will utilize email, text messaging, and phone calls to communicate with you.
- The fastest way to get information in an emergency situation is to **follow us on Twitter and Facebook (@ASD_Info)**. It is our first and fastest means of getting messages out. Also, check our website for alerts on the homepage.

A Gentle Reminder...

Although the calendar may say it's still fall, Girdwood has pretty much turned into a winter wonderland. Please make sure your child(ren) comes to school with the right gear every day: snow/rain coat, snow/rain pants, boots, gloves, and any other outdoor clothing they would need to keep them warm and dry during recess. Students have outdoor recess everyday except in cases of extreme inclement weather, so they need to be prepared. Please remember to label all clothing and accessories. For your convenience, we have Sharpies in the office. Thank you!

Dogs on the Playground

Just a reminder to keep your dogs leashed while on the playground here at school for the safety of our students and to ensure our playground remains free of dog poop.
