

First Grade Facts

February

22 Science Night

March

1st Breakfast, Blanket, & a Book 7:45-8:15am

Here is what we will be studying:

Math

Concepts for this week: Subtracting 2 digit #s with borrowing, X10s, counting quarters and rounding to the nearest 10. Practice facts until they become **automatic. Standard being assessed: dividing shapes into equal parts**

Language Arts

Students are practicing using “mental action” skills to enhance comprehension. Our next writing project is a 3rd person informative/narrative. We are doing more “across the curriculum” writing projects. I am so impressed with the quality of writing these students are producing-bravo!

Poem- Poem “Kind Deeds”

Earth Science

We will finish up the Earth Science Unit with Chapter 3-The Sky. The moon, the sun, the stars and what makes day and night.

Geography

“A State Map”

SEL – Currently on hold until we can catch up with our science and social studies curriculums

Green Team Challenge for February

EA is taking on the challenge of reduce, reuse recycle. Challenge for the month of February: Designing the perfect “Green Lunch”.

Specials Schedule

Monday: Technology

Tuesday: Music/PE

Wednesday: Art

Thursday: Music/PE

Volunteers

Needed: A Thursday morning volunteer to check in homework and check out Baggy Books. It takes about 1& 1/2 hours.

Thank you for the adorable February pencil toppers Mrs. Zeiler. Not only are they adorable, but they help stop the pencils from rolling off the desks. You rock!

February Birthdays - None

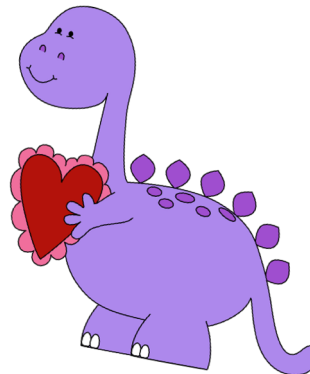

Homework:

Math, Baggy Book, Spelling

Homework in First Grade is not optional!

Field Trip

Friday, March 21st we will take the bus to Anchorage to see Moon Mice. This was the field trip we had scheduled for the day of the EQ. The good news is, it is already paid for. All we need is the permission slip. If there are any changes in the chaperone positions, I will let you know. Permission slips went home today.
