## Here is what we will be studying:

### Math

Concepts for the week: doubling a #, division, recording data, the last written assessment, **All standards have been assessed!** *Practice addition and subtraction facts until they become automatic.*

### Language Arts

Finishing up our last writing project a multi-paragraph research report on strategies for a healthy life. This report includes a table of contents and a bibliography.

**Poem-** If you have not heard Mosquito, Mosquito yet-you need to!

### Science: Healthy Life Strategies

Our lessons are spilling over into LA.

### Geography

“A Neighborhood Plan”

### SEL: Follow the Golden Rule!

### Green Team Challenge

#### Zero Waste – a Green Goal

During our Outdoor Day Trip we practiced being green. What each person carried in, they also carried out.

**Box Tops – Keep sending them in.** If we win last Quarter, the trophy travels with the class. Keep sending them in! You can never have too many

## Specials Schedule

Monday: Technology  
Tuesday: Music/PE  
Wednesday: Talent Show  
Thursday: Music/PE/Art

## Volunteers

**Needed:** Thank you Mrs. Ceiplek for sharpening the colored pencils.

**Thank you** for our May pencil toppers Edmonsons! Nothing like a for-get-knot to round out our year.

Thank you Outdoor Day Volunteers! Mrs. Ceiplek, Mr. Warren, Mr. Mullen, Mrs. Quioness, Mrs. Mitchell and Mr. Edmonson, you were fabulous. If you see Mrs. Copping, be sure to thank her for organizing this amazing event.

## K-1 Fun Afternoon

Monday, May 20 K & 1 will join together for an afternoon of fun activities. We will take over the gym (thank you Mrs. Crowther) and enjoy the Bounce House, State Farm Football Toss, bubbles, chalk, and parachute.

We will need some volunteers to help run the activities and put the Bounce House away. Siblings are welcome. ( 1:30-3:00 on Monday).

## Rumor Clarification

If you have heard the rumor Ms. Ogden is retiring this year, I am confirming it. This is my last year and my last class. They are a great note to end on!
