

Dear Parents,
Happy Monday! Testing is done and we are back on track!
Progress reports went home today!
Spelling is U3 – we started this last week and then got derailed with our testing!
Harry Potter is amazing and we love it!
Students are wanting to work quickly in math and are not always checking their work. I have reminded them to slow and do it right.
We are learning about the Middle Ages and dreaming of what our castles would look like!
Don't forget!
Mother's Day Tea – May 13, 1:30
Father's Day BBQ – May 17, 2:00
Thanks for all that you do!
