

Dear Parents,

This week is going to be great! We are very excited about Outdoor Learning Day! I have the following parents listed as chaperones: Baker, Bibb Donovan, and Lang! Let me know if you cannot come! Please be sure to have your student wear: Long pants, long sleeves, rain boots, and a rain jacket/coat. Bug spray is recommended and a sack lunch is great!

We are preparing for our Mothers' Day Tea! Please let me know if you cannot attend moms! It will be Monday at 1:30!

I need more volunteers for field day! If any of you can volunteer – that would be great! It's always a fun day!

Friday, May 17 is our kickball game with dads!

We are testing a lot this week in math and reading Harry Potter and loving it!

Thanks for raising great kids!
