Words cannot explain how I feel about the wonderful and lovely Christmas gifts given to me this past holiday season.

My deepest appreciation. I will cherish them forever!

~Mindy Edison

There will not be Pizza Friday this Friday. Great Alaska Pizza Company is closed this week to take care of repairs from the 7.0 earthquake. We hope to resume the week of Jan. 21st.

Report cards will be sent home by next Monday. Look for them then, but grades for each standard are already posted online.

Have a wonderful week and stay warm!

### Recycle-Reuse-Reduce Tips

Get an insulated tumbler for hot food. Fill with hot water, empty, and fill with pre-heated soup or Chef Boyardee. Saves time...no waiting in the microwave queue. Every minute counts at lunchtime!
