Social Studies with Ms. Edison

Students will learn why Europeans immigrated to the United States.

Teacher Talk

Email: Edison_mindy@asdk12.org

Cell Phone: (907) 223-7774

Just a friendly reminder that ASD has compensated for loss days during the Nov. 30 earthquake by canceling parent/teacher conferences this week along with the in-service day. We have four full days of school. Yay!!

Eagle Academy's Science & Math night is this Friday. We are really looking forward to having Campbell Creek Science Center host an assembly along with many of the evening's activities. I hope to see you there!

Have a wonderful week!

Recycle-Reuse-Reduce Tips

Encourage your kids to help with lunch. Avoid Lunchables and other kits, as that plastic is not recyclable, and doesn't provide a vessel for saving uneaten food for later. (**Lots of uneaten food going into the compost buckets...not enough time, too much food, or food the kids don't like, but parents don't know if it doesn't make it back home**).

Upcoming Events

Feb. 22 - Science & Math Night, 6-7:30 pm

Feb. 26 - Tour Our School, 9:30 am & 6 pm

Mar. 8 - No School; End of Q3

Mar. 11-15 - Spring Break
