Can you believe that next week, April 18<sup>th</sup>, we will be half way through the 4<sup>th</sup> quarter? And in just a few weeks I will begin end of the year assessments. I am looking at beginning some of those April 24-26 before students have REALLY checked out of school. Please try and schedule appointments around these dates so your child is here. Thank you.

Friday, the PTO is hosting a painting night. Everything is FREE! I hope you are able to come and share in some fun before the school year ends.
