

Weekly Update From Susitna

PRINCIPAL UPDATE

Hello and welcome to another week of online learning! Teachers are enjoying the interaction with the Susitna families and students. Thank you for helping your kids continue to learn through this time of uncertainty. ASD is working hard during this transition to on-line learning to keep students safe. Your child's ASD Personally Identifiable Information (PII) is carefully protected from others, and your young students are being carefully protected from websites and apps that are not appropriate for them (including YouTube). There are many other things ASD is doing - please read below to learn more about them!

Is my child safe online?

With much of our learning going online, it is a great time to review cyber safety guidelines with your children. There are three important things to consider for your family's cyber safety: the technology you use, your household rules, and how you will be monitoring student usage. ASD has created a [Safe Computing webpage](#) that addresses these three areas in more detail. It also has a host of resources to help you ensure your child's online safety.

Is my child safe on Zoom?

You may have read in the news that there are concerns about the safety of Zoom. ASD has put many pieces in place with Zoom to keep our students safe and we believe we are a part of a good learning system. We use passwords and small groups so we know who is live with us. We have eliminated private chat between students. We require that students enter our live sessions with a known student name, and teachers let each student into the live session after looking at those names.

What online safety precautions has ASD put into place?

The District's [Safe Computing webpage](#) includes many [best practices for making your child safe at home](#). The District has also implemented a number of measures to help keep kids safe while doing online work:

- Online sharing across District applications is limited to other students and staff.
- ASD Chromebook devices have content filtering enabled.
- ASD Chromebook devices run the Chrome operating system, which updates regularly and has fewer software risks.
- ASD devices and accounts are monitored for hacking and malware.

Thank you for being a part of Susitna, we are glad you are with us!

K/1 OPTIONAL NEWSLETTER

Dear Families,

We are always looking for ways to support you. If you need anything, please don't hesitate to let us know. We love seeing the kiddos and the work they are doing at home! Here are some highlights of class news for this week:

Next Week in Class Meetings: We will be exploring the science and beauty of rainbows. Ms. Hill, our music teacher, will be doing an activity with kids on Monday, and Ms. O'Hara, our art teacher, will visit on Wednesday to draw a rainbow with us, so have a paper and drawing tools ready!

Small group/one-on-one meetings with teachers: If you are interested in scheduling your student for some small group or one-on-one weekly zoom time (about 15 minutes at a time) with teachers, please contact your homeroom teacher and let them know a few times you have available. Ms. Bailey, Ms. Erin, and Ms. Lori love hearing students read!

Google Classroom--class code 3odkp4g--We are posting ideas and materials for families to do at home--there have been more math materials, poems, and writing ideas posted this week. All materials and assignments in Google Classroom are optional.

Class meeting/Office hours zoom meeting number:

Times have not changed: Mondays at 11am, Wednesdays at 1pm, and Friday at 3pm.

CREATIONS!

Last week, Ms. Therriault's, Mrs. Huberty's, and Mrs. Anteau's classes were challenged to create something using a toilet paper tube. We were excited to see all of the clever creations! From cool tanks, to swashbuckling swords, scenes, planes, owls, and more! We would love to gather more pictures of the final products! Send them to one of us via Remind, email, or Google Classroom.

Hello Susitna Families!

I can't tell you how much I miss seeing all of our students each day, and how glad I've been to talk with those that have been able to connect! To ensure that students still have access to music instruction, I will be connecting with each class during one of their meetings for a weekly music segment. **Music resources for each grade level have been uploaded on Clever,** so check those out!

Additionally, I am hosting weekly meetings on Zoom to connect with students and families. These meetings are a chance for students and parents/guardians to drop in to talk about music, get help with music resources, and for students to stay in touch with music students from choir, ukulele ensemble, and other classes. **Music meetings are Mondays from 5:00-5:30pm, and Thursdays from 1:00-1:30pm.** This is the link to join in: <https://asdk12.zoom.us/j/873518121?pwd=b21mSEhMZGFtcUZoNm14K0JkYjNKUT09> This link can also be found on the music page on Clever. Hoping you are well, Ms. Hill

TALENT SHOW!

The Susitna Talent Show is going online!

All students are welcome to participate. **Songs, dance moves, costumes, and all other performances aspects must be school appropriate.** Family members can be included in video submissions, so long as Susitna students are the focus. Family singing groups, dance performances, et cetera are welcome! **Staff entries are encouraged.** Submissions will be compiled into a talent show video for home viewing.

Performances will be included in the final video if:

- School Appropriate
- Submitted by parent/guardian, with written permission for that student's performance to be shared outside of the school (shared with all school families, Susitna facebook page, music website)
- Video is less than 3 minutes long
- No lip-syncing (just like an in-person show)
- Video is submitted by Friday, May 1st
- Submissions shared with Ms. Hill in a format easily downloaded to computer (mp4, private youtube links, and google drive are some suggestions)

Zoom Q&A for talent show: 4/20/2020, 5:00 pm

If you have questions about the talent show requirements, join a zoom meeting this Monday, April 20th at 5pm. Here is the link: <https://asdk12.zoom.us/j/873518121?pwd=b21mSEhMZGFtcUZoNm14K0JkYjNKUT09>

Submissions due by Friday, May 1st to Ms. Hill at hill_mariah@asdk12.org
