# Cross Country Kicks Into Gear

Coaches Sorenson and Roberts enjoyed a sunny day of warm ups and running with their Cross Country athletes this week. Receding ice allowed students to run in the parking lot for the first time since last Fall.

## S - T - R - E - T - C - H

Another cohort of cross country runners worked out with coaches Hundrup and Spann. Here they are stretching out in the 8th grade hallway earlier this week.

Our 1st Session of activities have begun, and everyone is having a great time. Students and coaches are taking advantage of any good weather days to spend time outside, and anytime inside is spent in small cohorts with masking and social distancing. We'll start a new session on April 26th. We hope to see you there for one of our three opportunities: Tennis and Racquet Sports, Basketball, or Track+Field.

**Families must fill out the following forms for students to participate in sports:**

- Middle School Participation Form
- COVID-19 Supplemental Waiver of Liability
- Health Examination Form

Added to these forms, if a student has tested positive for COVID-19 in the three months prior to the activity, families should fill out the **COVID-19 Return-To-Sports** form.

Forms can be scanned and emailed to our AAFP: [spartz-hays\\_robin@asdk12.org](mailto:spartz-hays_robin@asdk12.org) or dropped off at the school by your student near the main office between periods 1 and 2: designated basket supervised by Ms. Spartz-Hays.

# Panthers are Writers

## April Mears Writing Contest Write an ekphrastic poem...

Write a WHAAAAAT?

Ekphrastic poems usually refer to poems that describe a work of art. In Ancient Greece, the term referred to the skill of describing an object in vivid detail.

For this contest, select a photo that catches your eye. The photo could be of anything: people, places, events, artwork, nature. Make it the subject of your poem.

## Ideas for writing an ekphrastic poem:

1. **Write** about the scene shown in the photo.
2. **Write** about what happened just before or just after this scene...
3. **Write** a conversation between the characters in the image.
4. **Write** about your experience of looking at the photo or artwork.
5. **Write** as a character in the photo or artwork speaking to the viewer.

## April Contest Details:

- Poems should be no more than 20 lines.
- Deadline for April submissions is Friday, April 30th.
- Submit your poem and the picture on which you based your poem as a text entry inside the Canvas panther pictures course.

(To include your photo, click on the 3 dots above the text box and select the insert image icon.)

Here are the winners of March's writing contest:

Runner-up -- Karleen Kama, for "The Return of Me."

Congratulations and thank you to all students who participated in the March competition.

# Covid Safety Update

After two weeks of in-person school, I am pleased to report that our students and staff continue to do a tremendous job adhering to the Covid mitigation plan. Everyone wears a mask without question, students are sitting socially distanced in classrooms, and classes are taking advantage of warmer days and taking their nutrition breaks outside and/or are leaving classrooms for walks around the building.

Keep up the good work, Panthers! --Eric

## Recently Updated: ASD's Health and Safety Covid Matrix

ASD's planning and decision-making process for determining the District's risk level for conducting school takes multiple community factors into consideration. The District conducts this process in close conversation with the Municipality of Anchorage and the State of Alaska Department of Health and Social Services. In recent months, organizations such as the Center for Disease Control, the American Academy of Pediatrics, and the World Health Organization have expanded their guidance and resources regarding safely providing public education.

Important Reminder to All Parents and Families: **Please Stay Home When Feeling Ill**

"I'd like to ask for parents' continued attention when conducting home symptom screening before sending children to school. While more and more parents are becoming vaccinated, children are still susceptible and can spread COVID-19 at school. Just a single positive case in a school can close an entire classroom and potentially cause the entire class to quarantine as close contacts. The school community has done a great job thus far, and COVID-related impacts to our classrooms have been minimal. Let's stay vigilant."

2020 was a rough year for all businesses; the Black Cat Cafe is no exception. The lack of income means we need to get creative with our fundraising.
