Green & Gray Day Lobby Flags

Wonder no more if it is a GREEN or GRAY day when you walk into the school. Check out our new flags hanging above Mike Burns' office, next to the lobby TV. The flag will be changed daily based on our secondary schedule.

Polaris Asparagus

Fun fact: Back in 1994, the asparagus was one of the top student choices for the Polaris mascot. We are proud to bring the asparagus back as part of our new health and wellness initiative. The Polaris Asparagus' mission is to encourage healthy lifestyle choices that promote physical and mental well-being among all Polarians through education, engagement, and community inspiration. Our first challenge is 30 Miles in September. Rack up thirty miles in September by walking, running, or biking and be entered to win cool prizes, including a free 2022 Polaris Yearbook. Details and log sheets are available on the Polaris website --> FOR STUDENTS tab --> Polaris Asparagus.

Homecoming

Students in the Leadership class are starting the preliminary planning for 2021 Polaris Homecoming in October. Stay tuned for more details. Share your ideas using the form on the Polaris website --> FOR STUDENTS tab --> Connect with Op Group page.

One such opportunity is running for an elected position. Operational Group is our student government body and fall elections are coming up. The candidacy declaration deadline is Monday, September 20. See more information about the positions open and election process on the Polaris website --> FOR STUDENTS --> Connect with Op Group --> Elections page.
