October 4: School Store Reopening

The Journé Cafe will be reopening on Monday, October 4th.

October 7: Flu Vaccine Clinic

Flu clinic held at Polaris for our community; students and staff are the priority. Nurse Patty can vaccinate anyone who wants a flu shot as long as the consent forms are turned in by October 5. Forms are available from Nurse Patty or on the website under the INFORMATION tab --> Healthcare Services page.

October 15: Fall Festival

The Polaris PTA Fall Festival is back! Be sure to communicate your ideas for booths and activities to PPTA. Tickets are \$5 each or \$20 per family.

2022 Yearbook: Now Streaming at Polaris

Our awesome Yearbook Staff has decided on a theme and a cover for the 2022 yearbook. "*Now Streaming at Polaris*" gives a nod to our humble movie theater beginnings and is relevant to how we are consuming media today. COVID allowed us to recognize the power of building our yearbook as a community. The book is so much better with everyone's participation and contribution. Right now the Yearbook Staff is specifically looking for pictures of Polarians from: our earliest snow day ever, the 30-Miles in September Challenge, and fall harvesting to include gardening, berry picking, and hunting. The best way to preserve photo resolution is to upload directly to our staff inbox. Visit the YEARBOOK tab on the Polaris website to submit your photos.
