DHS Welcomes Mears 8th Graders

This week, all of Mears 8th graders visited Dimond High School and toured the school together in their collaborative team cohorts. Team Raven, Echo, and Muir (pictured here) had the opportunity to see the campus, meet teachers and staff, and get to know student-leaders from DHS. This fun and informative event was part of a series of activities designed to support a strong, successful transition from middle to high school.

Mears Health Update

Important Covid Health Reminders:

7th Grade Health Screening Begins March 28th

Hello Mears Families,

Periodically throughout students' schooling with the Anchorage School District, health screenings are done. In seventh grade, all students have height, weight, distance vision and hearing screenings. You will be notified if distance vision and hearing screens are failed. I am planning on doing a mass screening of seventh graders on Monday, March 28th. If your student wears contacts, glasses or hearing aids, please make sure they bring them to school this day. I will be pulling social studies classes throughout the day to accomplish these screenings. Please do not hesitate to reach out to me with any questions/concerns. My email is richards_karin@asdk12.org and my office phone is 907-742-6401.

*Thank you,
Nurse Karin Richards*

Mears Activities Update

Mears Families:

Track and Field season began yesterday, March 17th, and we already have nearly 100 participants. Please know that we welcome additional sign ups through the first week, so the deadline for sign up is 3:00 pm on Thursday, March 24th.

Additionally, we're looking forward to starting tennis and soccer; these intramural sports begin on April 18th, which is a week later than initially planned. My hope is that the weather will be just a bit warmer, allowing for more outdoor enjoyment.

If your student is involved in the Track and Field team, the district has published the new schedule. See link:

Best Wishes,

Mike Scott, Mears AP

Families must fill out the following forms for students to participate in sports:

- Middle School Participation Form
 - https://drive.google.com/file/d/1xnIL0dz4uKW6YsMk_MrWGZd4mjAkPMj5/view

- COVID-19 Supplemental Waiver of Liability
 - <https://www.asdk12.org/cms/lib/AK02207157/Centricity/Domain/4260/COVID-19%20Waiver.pdf>
- COVID-19 Return To Play
 - <https://drive.google.com/file/d/1vsUwRmEJTh5s4ecdD0wJ2PW8ywX2-J5U/view>
- Health Examination Form
 - <https://drive.google.com/file/d/1lI5oSifxCsxF-MNlknP6hBp0FPtELfEl/view>

Added to these forms, if a student has tested positive for COVID-19 in the three months prior to the activity, families should fill out the **COVID-19 Return-To-Sports** form.

Forms can be scanned and emailed to our AAFP: spartz-hays_robin@asdk12.org or dropped off at the school by your student near the main office between periods 1 and 2: designated basket supervised by Ms. Spartz-Hays.

Visit Mears website for all activities updates and information:

COVID-19 Return To Play

In addition to the standard forms and COVID-19 waiver, if a student has recently tested positive for COVID-19 and seeks to begin or return to a sport or activity, families should fill out the **COVID-19 Return-To-Sports** form. The school nurse can provide more information; however, it's essentially a form (linked above and below) that requires 2 steps:

1. If the student has a confirmed positive COVID-19 test, a healthcare professional must sign off that he/she is able to return to the sport or activity prior to participation (not required to return to school).
2. Upon submission of this form, coaches will employ the slow re-entry process to ensure safety. **Please view the document to see the transitional return process. (Apologies: Last week I included the wrong link-please view this one).**
 - a. <https://drive.google.com/file/d/1vsUwRmEJTh5s4ecdD0wJ2PW8ywX2-J5U/view>

Although the form is not new, our employment of the document will be more stringent. All families that agree to participate in sports sign the COVID-19 waiver, which makes the Return to Play documentation part of the process.

Our hope is to enhance safety and help students as they restart strenuous activity. If you have any questions please contact Mike Scott, Mears AP, or Karin Richards, Mears Nurse.
