

Polaris K-12 | K-1  
Year at a Glance (Rotation A)  
2022-2023

		Quarter 1			Quarter 2		Quarter 3			Quarter 4	
		August	September	October	November	December	January <i>(Intensives)</i>	February	March	April	May <i>(Intensives)</i>
Math	Routines and beginning of the year assessment		<p>Bridges Number Corner - Intro to days of week - Data Collection/Graphing - Computation to 5 - Number lines to teens</p> <p>Kindergarten Units 1 &amp; 2 - Patterns - Shapes - Numbers to 5 and 10 - Order in Numbers</p> <p>1st Grade- Unit 1: Counting and Data with Popsciles</p>	<p>Bridges Number Corner - Intro to days of week - Data Collection/Graphing - Computation to 5 - Number lines to teens Kindergarten Units 1 &amp; 2 - Patterns - Shapes - Numbers to 5 and 10 - Order in Numbers</p> <p>1st Grade - Unit 2: Developing Strategies with Dice and Dominos -A focus on adding, subtraction, and number sense</p>	<p>Bridges Number Corner - Computational Fluency Numbers to 10 - Number Line in the 20 - Two-Dimensional Geometry - Three-Dimensional Geometry Kindergarten Units 3 &amp; 4 - Adding and Subtracting 1 - Add, Subtract, and Double it - Path to Adding, Subtracting - Comparing and Measuring Length - Coins penny and dime</p> <p>1st Grade- Unit 3: Adding and Subtracting Counting and</p>	<p>Bridges Number Corner - Computational Fluency Numbers to 10 - Number Line in the 20 - Two-Dimensional Geometry - Three-Dimensional Geometry Kindergarten Units 3 &amp; 4 - Adding and Subtracting 1 - Add, Subtract, and Double it - Path to Adding, Subtracting - Comparing and Measuring Length - Coins penny and dime</p> <p>1st - Unit 4: Leapfrogs on the Numberline- Focus on adding and</p>	Mid year assessment	<p>Bridges Number Corner - Days of Week Continued - Computational Fluency Numbers to 10 - Data Collection's Continued - Addition and Subtraction - Number Line / Missing Numbers Kindergarten Units 5 &amp; 6 - Exploring, Sorting, Comparing, Graphing and Constructing Shapes - Numbers beyond 10 - Coins nickel and quarter</p> <p>1st Grade- Unit 4 : Leapfrogs on the Number Line continued- focus on adding and</p>	<p>Bridges Number Corner - Days of Week Continued - Computational Fluency Numbers to 10 - Data Collection's Continued - Addition and Subtraction - Number Line / Missing Numbers Kindergarten Units 5 &amp; 6 - Exploring, Sorting, Comparing, Graphing and Constructing Shapes - Numbers beyond 10 - Coins nickel and quarter</p> <p>1st- Unit 5: Geometry -attributes of 2D and3D shapes</p>	<p>Bridges Number Corner - Computational Fluency with Plus and Minus Story Problems - Computational Fluency with 5's up - Addition and Subtraction - Number Line / Teens, 20's, 30's and 40's - Fun with 100 chart - Different Measuring Method Kindergarten Units 7 &amp; 8 - Doubles - Weight and Place Value - Addition and Subtraction Story Problems - Computing and Measuring</p> <p>1st- Unit 6: Figuethe Facts with Penguins</p>	<p>Bridges Number Corner - Computational Fluency with Plus and Minus Story Problems - Computational Fluency with 5's up - Addition and Subtraction - Number Line / Teens, 20's, 30's and 40's - Fun with 100 chart - Different Measuring Method Kindergarten Units 7 &amp; 8 - Doubles - Weight and Place Value - Addition and Subtraction Story Problems - Computing and Measuring</p>

				Comparing	subtracting		subtracting			1st Grade- Unit 7: One Hundred and Beyond & Unit 8: Changes-Changes
Reading	Routines and beginning of the year assessment	L.C. 1st Grade Reading Unit 1- Building Good Reading Habits Small Reading groups- lesson differentiated on student's individual skills and level		L.C.1st Grade Reading Unit 2- Learning about the World -Nonfiction Literature Small Reading groups- lesson differentiated on student's individual skills and level		Mid year assessment	L.C. 1st Grade Reading Unit 3- Reads Have a Big Job to Do: Fluency, Phonics, and Comprehension Small Reading groups- lesson differentiated on student's individual skills and level		L.C. 1st Grade Reading- Unit 4 Meeting Characters and Learning Lessons: A Study of Story Elements Small Reading groups- lesson differentiated on student's individual skills and level	
Writing	Routines and beginning of the year assessment	L.C. Writing Unit 1 - I am a writer/Illustrator - Intro. Writing Work Shop - Title expresses topic - Intro. Authors Chair (2 Pages)		L.C. Writing Units 2 - Writing for Readers- Continue writing work shop - Authors Chair (3 Pages)		Mid year assessment	L.C. Writing Units 3 - How To Books: Writing to Teach - Author's Chairs (3+ Pages)		L.C. Writing Units 4- Others - Author's Chairs (3+ Pages sequence stories)	
Grammar or Phonics	Letter names and sounds Spelling patterns Songs and Poetry Jenna, don't forget to do all the other things!	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families	Letter names and sounds Spelling patterns Songs and Poetry Handwriting without tears Words their way Word families
Science	Patterns Kindergarten Alaskan Animals First Grade					Light and Sound First Grade Forces and motion Kindergarten				
Social Studies	Families, Communities, Economics, Homes, Holidays and Friendships 1st grade Step into school, My Family and Me Kindergarten					Communities, Then and Now, Geography and Maps 1st grade It's Our Town, On the Job Kindergarten				

Social Skills	Kelso's Choices Sean Lane: Focus 5	Kelso's Choices Sean Lane: Focus 5	Kelso's Choices Sean Lane: Focus 5	Kelso's Choices Sean Lane: Focus 5
