

How do people you know get home from work or school? Take a survey and create a bar graph.

Name: _____

Tally Chart:

| Vehicle | Tally | Total |
|---------|-------|-------|
| Car | | |
| Bus | | |
| Bike | | |
| Walk | | |
| Train | | |
| Other | | |

Bar Graph:

| Vehicle | | | | | | | | | | |
|---------|--|--|--|--|--|--|--|--|--|--|
| Car | | | | | | | | | | |
| Bus | | | | | | | | | | |
| Bike | | | | | | | | | | |
| Walk | | | | | | | | | | |
| Train | | | | | | | | | | |
| Other | | | | | | | | | | |

How many people did you survey?

How do most people travel?

What else did you learn from your survey?
