Upcoming health screening information:

The Lion's Club volunteers will be here on Tuesday, October 10th for Photo Screening. This is a vision screening for grades K-2.

Grades 3, 5 and 7 will be screened for Distance/Vision Acuity.

If your child wears glasses, please make sure they are brought to school next week 😊

We will also be measuring growth and conducting hearing screenings for select grade levels. If you have a concern about your child's vision or hearing, please let me know.

It's that time of the year...

Please refer to <https://www.asdk12.org/Page/6622> to determine if your child is too sick to be at school.

If your child requires medication to treat any of their symptoms, please complete the appropriate medication forms found at: <https://www.asdk12.org/Page/7810>
