Good Evening ERE Families,

Tomorrow, November 9th, is a Remote Learning Day! Please look for an e-mail from your child's teacher to be sent out by 8:45am with information on how to access learning for the day. Your child will be considered "present" if they participate in the Zoom session or work on the purple-colored remote learning packets that were sent home at Parent/Teacher Conferences.

Below is the link to access the Remote Learning packets in case you can't find the one that was sent home, as well as teacher Zoom links. If you are unable to access these links, please reach out to your student's teacher or the front office for assistance.

[Remote Learning Packets and Zoom Links](#)

Specialist teachers (Art/STEM, PE, Library and Music) will have a joint morning session for 3-6 grade students from 9:30-10:30am and an afternoon Zoom session for K-2 grade students from 1:30-2:30pm. These are drop-in Zoom sessions, which means your student is welcome to attend the whole Zoom session or drop in when/if they can. Specialists will take turns with activities!

Be safe and enjoy the day!

Principal Campbell
