Hello ERE Families!

We have an exciting announcement to share with our families: traditional meal service is coming to Eagle River Elementary starting tomorrow! Instead of shelf-stable or prepackaged meals, our school will be serving fresh cooked meals for lunch starting tomorrow Friday, January 26th.

What this will look like is students will take their lunch card, enter the lunch line, and will be given their own individual tray. From there, students will have the choice on what they would like to take. Lunch will be made fresh every day at our school. We understand allergies may be a concern for families, which is why food items will all be in their own separate warming containers in the cafeteria and students do not have to take items they don't want or cannot have.

The cost for each meal is as follows:

Breakfast - \$3.00; \$0.30 for reduced

Lunch - \$4.75; \$0.40 for reduced

Attached to this email is a PDF with instructions on how to add funds to your student's cafeteria account through ParentConnect.

Please be aware that every student who takes a meal will be charged for the meal whether or not they have money credited to their account. This means that students may incur a negative balance on their meal accounts. We advise families to talk with their students about their breakfast and lunch plan to avoid unexpected charges. For confidentiality purposes, only our cafeteria manager has access to student cafeteria accounts, so families will need to reach out to our cafeteria manager at [cafe\\_eagleriver@asdk12.org](mailto:cafe_eagleriver@asdk12.org) OR (907) 742-3000 opt. 3 with any questions about account balances, unexpected charges, menus, allergies, etc.

---

*If you have not already, it's not too late to fill out the Free/Reduced Lunch Program application. Go to Student Nutrition's main page at <https://www.asdk12.org/domain/1246> and fill out an application today!*
