

ASD Summer 2024 Food Service Program

Летняя программа общественного питания ASD 2024

Школьный округ Анкоридж участвует в летней программе общественного питания. Питание будет предоставляться всем детям бесплатно и будет одинаковым для всех детей, независимо от расы, цвета кожи, национального происхождения, пола (включая самоидентичность и сексуальную ориентацию), инвалидности, возраста, и при сервировке еды не будет никакой дискриминации.

Питание всех детей в возрасте до 18 лет предоставляется бесплатно. Детям не обязательно быть студентами, чтобы получать питание. 19 июня ни на одном сайте не будет предоставляться никаких услуг.
