

COMMUNITY IMMUNIZATION CLINICS

ASD Healthcare Services

The best place for your child to receive vaccinations is at their pediatrician's office or medical home. If you do not have a medical home or are unable to schedule an appointment with your pediatrician, the locations listed below offer childhood vaccines. **ALWAYS BRING YOUR CHILD'S SHOT RECORD WITH YOU.** Your school nurse can print a copy of your child's current shot record. **CHILDREN MUST BE ACCOMPANIED BY A PARENT/GUARDIAN.**

Please call the clinics for the most current information

**This list is provided as a resource to you. The Anchorage School District neither recommends nor requires that you use this list or any of the services provided by individuals or entities on the list. It is for you to decide what services, if any, to use and from whom you wish to obtain them.*

In addition to the places listed above, many retail pharmacies such as Fred Meyer, Carrs/Safeway, Walgreens, Costco, etc., have vaccines available. Call ahead before taking your child to one of these locations to be sure they have the right vaccine available.

After your child receives their vaccination(s), please get the paperwork to the school nurse. Updated records or proof of immunization can be hand delivered, emailed, or faxed to the school.
