Good Morning Bartlett, it’s another PLC Monday. With the weather turning colder, you need to be mindful that if you elect to leave the school you may not re-enter the building until 2:00. If you have a ride on the way, you should go to one of the quieter designated areas, such as the School Cafeteria, let your ride know that when they get here to let the office know where you are located and we will come and get you when you ride arrives. Students please remember that you need to report to the schools designated areas by 1:20. You may wait outside the doors for your rides, not inside the entryways. Freshman, please remember you need a pre-approved pass to leave the building. Thanks for your cooperation, have a great day, and as always Go Bears!!!
